Copy that can be shared on Facebook or Instagram. Will need to shorten if using on Twitter to meet character limit:

June is **#NationalDairyMonth**. Dairy is the milk in your cereal, the cheese on your pizza, and the yogurt in your morning smoothie. Dairy is part of all the things we love to eat and is present during some of the most special moments in our lives. What's your favorite dairy food? 🥛🧀🍕🍦🐄❤️ Let us know in the comments! **#UndeniablyDairy**
