

Good afternoon,

June is National Dairy Month, and I would love to do a milk mustache promotion at your school on Wednesday June 3rd. It is a fun way to get our students excited about drinking milk.

How it Works: We need 4-5 non-homeroom teacher staff (principal, secretary, custodian, PE teacher etc.) to let me take a picture of them ahead of time with a milk mustache.

I will print the pictures and display them for the students. Each student will receive a cow print bead to drop in a milk carafe to vote for their favorite mustache.

I will work with you to figure out where we will display these photos and how to get the students to the area to vote. Attached you will find an image of the sample voting table. Please let me know if you are interested in doing this at your school.
